Enrolling and payment

New Students must pay coaching fees prior to their first class. Continuing students will receive a re-enrolment form prior to the end of each term, via email. Please return exact cash payment in a labelled envelope to Coach Vicky, Evie, Andrew Thomas or Andrew Sais. Please note by enrolling into a coaching program you give permission for your or your child/ren's photo to be used in advertising material without compensation. Should you wish to not consent to the use of photography please inform the Director prior to commencement. Any student who enrolls and change's their mind will be expected to complete the term.

Attendance

It is the responsibility of the student to attend all classes at the time of their group. For any lessons missed there will be no refund however there may be the opportunity to make up missed classes if places are available. We cannot guarantee students will be able to make-up missed classes. At least 12 hours notice must be given for an absence. *If you arrive late, parents MUST take their child in personally to the coach, and inform the coach you have arrived, to ensure a late arrive child does not go unnoticed.*

Free Replacement Class Service: There is NO EXPIRY EVER on replacement classes, and replacement classes can only be booked via the chatroom in a FREE app. Goggle "Teamapp" download FREE, search for "Slamin Tennis" within Teamapp, download FREE, request "Players & Officials" Status. (This keeps the general public out of our chatroom. Replacement class availability is listed on a Sunday, and simply the first person to claim a day and time secures that place. No further confirmation is required once you have claimed your place in the chatroom. If you child is going to be away, please also enter this information in the chatroom, so another parent has the opportunity to use your child's spot in their absence. Colours refer to the colour ball your child uses, to ensure the correct standard of replacement classes.

Injury

No refunds will be issued for injuries a credit note will be issued for the remaining sessions. There is no expiry on sessions, you can enroll again once your GP has approved your return subject to class availability.

Wet weather or extreme heat

Lessons may be cancelled due to rain or extreme heat, please call the mobile (0403 129 648) to check the status of your lesson or view cancellation notices in the app. Sessions cancelled due to rain or heat will be replaced during the term and a replacement class e-mail will be sent with 7-14 working days. If you simply elect to not turn up then the lesson is forfeited. Please note the extreme heat MUST BE AT THE ACTUAL time of your lesson. The extreme heat is determined by the Wet Globe temperatures, it is a measure of the heat stress in direct sunlight, which takes into account: temperature, humidity, wind speed, sun angle and cloud cover (solar radiation). This differs from the heat index, which takes into consideration temperature and humidity and is calculated for shady areas. To check the cancellation status, please call the mobile where a recorded message will be left. If no message is left, then the lesson is not affected.

Medical conditions

If a student suffers from a medical condition, such as Asthma, the student should bring with their medication.

Clothing & equipment

Students should wear clothing appropriate to the weather conditions. Students must always wear a sun hat. All students should get their own racket as soon as possible so they are able to practice. I am happy to advise on racquets or purchase racquets for you to ensure suitability.

Photography/video footage:

Most people taking photos of children at sporting events are doing so for acceptable reasons and are using appropriate methods, for example, a parent videoing their child at a sports presentation or photographing their child on the court during play. It is worth noting that many photographs taken in public places will include subjects who have not consented to their photo being taken, and people, including children, are frequently photographed by security cameras without their knowledge or permission.

Where a sporting event is held on a club's private property, privately owned land, a school or council owned facilities, the owners of private property or venues are able to restrict or ban photography.

Slamin Tennis & Fitness strictly prohibits the taking of photo's or videoing any participants (children or adults) whilst engaging in one of our programs. Should you wish to take photo's/video of your child personally, a written request **MUST** be submitted to Vicky Lee directly for approval. Approval **MUST** be granted prior to commencing taking photo's or videoing.

Vicky personally and all of her staff **DO NOT** consent to their photo being taken, nor any filming of their lessons. Please consider if it was your child who was photographed by another parent and ended up on one of the social media platforms such as Facebook. Several children/adults have court orders in place, (i.e child custody / witness in court hearings) taking photo's or filming can jeopardize these court cases.

Annual lesson payment option:

Students are invited to enrol for the full year and as a bonus any student who enrolls for the entire year receives a **FREE** 30 minute private lesson. (Value at \$45.00). If a student enrolls for the entire year and changes their mind, the student will be expected to complete the term, and will be refunded the remaining term, less the value of the private lesson bonus. Students will be permitted to change days if need be, and consequential fees will be adjusted when paid in advance.

Public holidays:

No lessons will be held on public holidays, in the event a public holiday is schedule on the day your lesson is held, you will be contacted in advance for a replacement class. Eg: Term 1 Monday Labour Day, students will be contacted in advance and a double lesson will be planned.

Why don't you simply pro rata fees instead of replacement classes for public holidays? When we pro rata fees over an entire year, we have determined a child depending on their chosen day of the week, and potentially if they change days can miss up to 7 lessons a year, plus any individual absences. This can equate to missing almost an entire term of lessons, even though the students has been enrolled for a whole year. This of course effects the progress of a student to the next, hence we contact you in advance and arrangement replacement classes that fall on public holidays, therefore allowing every student to receive 41 tennis lessons within a calender year.

* **Credit Card Payments:** incur a 2.1% card fee and also a transaction fee.

** **Private lesson note:** Private lessons consisting of more then 3 people, incur an additional \$5 fee per player per session.

Prices are subject to change without notice.
